

Enrico Bonadio is Reader at City, University of London. He teaches, lectures and advises in the field of intellectual property (IP) law.

His current research agenda focuses on – inter alia – the intersection between IP and technology as well as copyright protection of non-conventional forms of creativity.

Enrico has been delivering classes and talks in more than 120 universities and institutions around the world. Enrico frequently appears in the media as an IP expert. His research has been covered by CNN, Wall Street Journal, Financial Times, Washington Post, New York Times, Reuters, South China Morning Post, BBC, The Times, Guardian, Independent, Associated Press and The Conversation, amongst other media outlets.
