

Andrea MARCELLUSI

University of Milan - Department of Pharmaceutical Sciences <https://ddrug.unimi.it/profilo/andrea-marcellusi/>

PERSONAL INFORMATION

SUMMARY

- BsC degree (cum laude) in Statistics, University of Teramo
- MsC (cum laude) in Demographic Sciences for Social and Health Policies, “La Sapienza” University of Rome
- MA in Economics and Public Health Management, “Tor Vergata” University of Rome
- PhD in Statistical Sciences, “La Sapienza” University of Rome
- From 2009 to present, Subject Expert in **Health Economics** at the “Tor Vergata” University of Rome
- From 2016 to 2021, **Senior Lecturer in Health Economics** at the Kingston University of London
- From 2016 to present, **Lecturer in Economics and Healthcare planning** at the “La Sapienza” University of Rome
- Co-teacher for the **Health Economics** course at the “Tor Vergata” University of Rome
- Previous Lecturer for the **Aspects of Financial Resource in Health** course at the Kingston University of London
- Previous Lecturer for the **Quantitative Analysis** course at the Kingston University of London
- Previous Lecturer for the **Business Statistics** course at the Kingston University of London
- Previous teacher in various Mas regarding **Economic evaluation and HTA**
- Speaker during various training professional courses (ECM) in the Health sector
- Assistant Professor (RTT) Department of Pharmaceutical Sciences – DISFARM, University of Milan

KEYWORDS

Health economics | Economics of Healthcare | Economics and Healthcare management | Economic evaluation of pharmaceuticals | Advanced modelling methods for health economic evaluation | Applied methods of Cost-Effectiveness analysis | Statistics | Statistics for Health Services evaluation

HIGHLIGHTS

- President of the International Society of Pharmacoeconomics and Outcome Research (ISPOR) Rome Chapter
- Since 2014, member of the editorial board of the *Clinical Drug and Investigation Journal* (Impact Factor 2.918)
- Vice president Accademia del Paziente esperto EUPATI (Non-profit organization focused on educational initiatives for patient associations)

EDUCATION

DEGREES AND EDUCATION

- 2024 National Habilitation associate professor ACADEMIC SECTOR CHIM/09 D.D. 2175/2018. VALID FROM 06/11/2024 TO 06/11/2035 (art. 16, paragraph 1, Law 240/10);
- 2022 National Habilitation associate professor ACADEMIC SECTOR 13/A3 FINANCE SCIENCE D.D. 2175/2018. VALID FROM 28/05/2021 TO 28/05/2030 (art. 16, paragraph 1, Law 240/10);
- 2014 **PhD in Statistical Sciences**, “La Sapienza” University of Rome. Thesis title: *Le patologie HPV-correlate: una valutazione dell’impatto sulla salute delle donne in Italia [HPV-related pathologies: evaluation of the impact on women in Italy, TN]*. Discussed on the 14/07/2015.
- 2009 **MA in Economics and Public Health Management**, “Tor Vergata” University of Rome. Thesis title: *Valutazione Economica dei costi associati al Cancro del Collo dell’utero e vaccinazione anti-HPV: il caso della Regione Basilicata [Economic evaluation of the cervical cancer-related and anti-HPV vaccine costs in the Basilicata region TN]*. Discussed on the 15/12/2009 with the final mark of **110/110**.
- 2009 **MsC in Demographic Sciences for Social and Health Policies**, “La Sapienza” University of Rome. Thesis title: *La valutazione economica in sanità: uno studio applicativo dei QALYs in Italia [Economic evaluation in healthcare: an applicative study of QALYs in Italy, TN]*. Final mark: **110/110 cum laude**. Supervisor: Prof. Francesco Saverio Mennini.
- 2004 **BsC in Statistics** at the University of Teramo. Thesis (Demographics) title: *L’evoluzione della fecondità in Italia: tra oscillazione ed inversione di tendenza [The evolution of fertility in Italy: between oscillation and trend reversal, TN]*. Final mark: **110/110 cum laude**. Supervisor: Prof. Piero Giorgi (holder of the Demographics chair).
- 1998 **Scientific high school degree** at the Liceo Scientifico Statale Marie Curie of Giulianova (Teramo, Italy).

FURTHER TRAINING

The following list is not exhaustive

- 2021 Benefit-Cost Analysis: Valuing Life and Health. Harvard T.H. Chan School of Public Health. September 27 – October 1, 2021. Boston (USA)
- 2021 Measurement, Design, And Analysis Methods For Health Outcomes Research. Harvard T.H. Chan School of Public Health. September 20-24, 2021. Boston (USA)
- 2015 Applied Methods of Cost-Effectiveness Analysis. St Catherine’s College, Oxford, 01 - 03 July 2015. Oxford University.
- 2013 Cost-Effectiveness Analysis Alongside Clinical Trials. Introduction to Patient Preference Methods Used for QALYs. Reimbursement Systems in Europe, Advanced Econometric Methods for Estimating Treatment Effects in Observational Studies. ISPOR 16th Annual European Congress, 2-6 November 2013. The convention Centre Dublin. Dublin, Ireland.
- 2013 International Max Planck Research School for Demography. Applied Methods of Public Health and Mortality Research using R. Winter Semester 2012/2013. 4 - 14 February 2013 Rostock, Germany. Teachers: Dr. Alyson van Raalte and Dr. Virginia Zarulli.
- 2012 Statistical Methods for Pharmacoeconomics & Outcomes Research; Propensity Scores and Observational Studies of Treatment Effect; Discrete Event Simulation for Analyses – Concepts; Cost Estimation and Assessing Financial Impact of New Health Care Technologies. 3rd – 4th November 2012. Short Course to ISPOR 15th Annual European Congress, 3-7 November 2012 ICC Berlin, Berlin, Germany. Teachers: Dr. Neil Hawkins and Dr Lindsay Govan, Prof. John Seeger, Prof. Jaime Caro and Dr Jörgen Möller, Dr Josephine Mauskopf and Prof. Daniel Mullins.

- 2012 Visiting at the University College London, Department of Statistical Science, Prof. Gianluca Baio. Development of the project *Health economic evaluation of HPV vaccination*. Joint work with Francesco Mennini, Alessandro Capone, Andrea Marcellusi, Bengt Jonsson, Mike Drummond and Peter Zweifel.
- 2011 Winter School in Demographic Transition and Development in Rich and Poor Countries: Continuity and Change (DTD). December 12th to December 17th, 2011. Faculty of Statistics, University of Padova.
- 2011 Bayesian Methods in Economic Evaluations – Introduction, Bayesian Methods in Economic Evaluations – Advanced, Pharmacoeconomic Modeling – Applications. 5th – 6th November 2011. Short Course at ISPOR 14th Annual European Congress, Madrid. Teachers: Prof. Christopher S. Hollenbeak, Prof. Keith R. Abrams and Prof. Mark S. Roberts.
- 2011 Regression methods for health economic evaluation 4th – 5th 2011 - 7th April 2011. University of York Centre for Health Economics. Teachers: Prof Mark Sculpher.
- 2011 **Advanced modelling methods for health economic evaluation**. 30th and 31st March, 1st April 2011. University of York Centre for Health Economics. Teachers: Prof. Karl Claxton. Director: Mark Sculpher, Karl Claxton and Andrew Briggs.
- 2010 Introduction to data analysis and statistical models for pharmaceutical economy at the Faculty of Statistics “Bicocca” (Milan). Teacher: Prof. Gianluca Baio.
- 2010 Course in Statistics for the scientific research: survival analysis. 12th and 13th of May 2010. Catholic University of the Sacred Heart, Rome.

PROFESSIONAL ROLES

ACADEMIC BODIES

- 2024 – Present **Assistant Professor (RTT)** Department of Pharmaceutical Sciences – DISFARM,, University of Milan
- 2021-2023 **Research Fellow in Health Economics** at the “Tor Vergata” University of Rome – Scientific responsible: Prof. Francesco Saverio Mennini.
- 2021 - 2023 **Adjunct Professor in Health Economics and management** at Department of Economy and Law, Faculty of Economics, Sapienza Università di Roma
- 2016-2021 **Senior Lecturer in Health Economics** at the Kingston University London – Department of Accounting, Finance and Informatics.
- 2017-2021 **Research fellow (3rd level)** at the “Tor Vergata” University of Rome – Scientific responsible: Prof. Francesco Saverio Mennini (18 months total).
- 2016-2018 **Temporary researcher (3rd level)** art. 23 of the Presidential Decree 171/91 at the Istituto di Ricerche della Popolazione e delle Politiche Sociali (IRPPS) – National Research Council (CNR).
- 2012-2014 **Doctorate student** at the Department of Statistical Sciences at the “Sapienza” University of Rome. Demography, XXVII cycle. Tutor: Prof. Viviana Egidi.
- 2013-2014 **Long term consultant** for research at CEIS, Faculty of Economics, “Tor Vergata” University of Rome. Scientific responsible: Prof. Francesco Saverio Mennini.
- 2010-2012 **Temporary research assistant** at CEIS, Faculty of Economics, “Tor Vergata” University of Rome. Scientific responsible: Prof. Francesco Saverio Mennini (24 months total).
- 2008-2009 **Long term consultant** for research at the University of Genoa, Department of Health Sciences. Scientific responsible: Prof. Roberto Gasparini.
- 2006-2007 **Post-degree grant recipient** at the University of Teramo, Faculty of Political Sciences. Scientific responsible: Prof. Piero Giorgi.

2004-2010 **Subject expert on Statistics and Demography** at the University of Teramo, Faculty of Political Sciences. Scientific responsible: Prof. Piero Giorgi.

TEACHING

TEACHING IN DEGREE COURSES LAST 5 YEARS

ACADEMIC YEAR 2024/2025

- Lecturer in Statistical and Epidemiological Methodologies, Department of Pharmaceutical Sciences (DISFARM), University of Milan – Postgraduate School in Hospital Pharmacy.
- Lecturer in Pharmacoeconomics, Department of Pharmaceutical Sciences (DISFARM), University of Milan – Postgraduate School in Hospital Pharmacy.
- Lecturer in Pharmacoeconomics and Market Access: Strategies and Applications, Department of Pharmaceutical Sciences (DISFARM), University of Milan – PhD program, University of Milan.
- Scientific Coordinator for the Market Access module of the Second-level Master's program in Regulatory Sciences and Market Access for Therapeutic and Health Products: Medicines, Medical Devices, Cosmetics and Food Supplements, Department of Pharmaceutical Sciences (DISFARM), University of Milan – PhD program, University of Milan.
- Lecturer in Regulations on Marketing Authorization (AIC) and Pharmaceutical Patents, Department of Pharmaceutical Sciences (DISFARM), University of Milan – Integrated Master's Degree in Pharmaceutical Chemistry and Technology.
- Scientific Coordinator of the Advanced Training Course in Regulatory Strategies and Economic Evaluations for Drug Access (8ZW), Department of Pharmaceutical Sciences (DISFARM), University of Milan.

ACADEMIC YEAR 2022/2023

- Module Leader for the **Public Economy** course - PgCert/PgDip/MSc in Department of Economy and Law, Faculty of Economics, Sapienza Università di Roma.
- Module leader for the MANAGEMENT OF PUBLIC AND PRIVATE HEALTH COMPANIES course – MSc in Health Economics, Department of Economy and Law, Faculty of Economics, Sapienza Università di Roma.

ACADEMIC YEAR 2021/2022

- Module Leader for the **Aspects of Financial Resource in Health** course - PgCert/PgDip/MSc in Leadership and Health Management at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Lecturer for the **Business Statistics** course – (level 5) at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Lecturer for the **Quantitative Analysis** course - PgCert/PgDip/MSc in Leadership and Health Management at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.

ACADEMIC YEAR 2020/2021

- Module Leader for the **Aspects of Financial Resource in Health** course - PgCert/PgDip/MSc in Leadership and Health Management at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Lecturer for the **Business Statistics** course – (level 5) at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Lecturer for the **Quantitative Analysis** course - PgCert/PgDip/MSc in Leadership and Health Management at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.

- Tutor for the Organizational Behaviour (BH4103) Tutorial PT group - (level 5) at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Lecturer for the **Health Economics** course (12 lessons per year on a two-year period) at the “Tor Vergata” University of Rome. Chair holder: Prof. Francesco Saverio Mennini.

ACADEMIC YEAR 2019/2020

- Module Leader for the **Aspects of Financial Resource in Health** course - PgCert/PgDip/MSc in Leadership and Health Management at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Lecturer for the **Business Statistics** course – (level 5) at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Lecturer for the **Quantitative Analysis** course - PgCert/PgDip/MSc in Leadership and Health Management at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Tutor for the Organizational Behaviour (BH4103) Tutorial PT group - (level 5) at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Lecturer for the **Health Economics** course (12 lessons per year on a two-year period) at the “Tor Vergata” University of Rome. Chair holder: Prof. Francesco Saverio Mennini.

ACADEMIC YEAR 2018/2019

- Lecturer for the **Aspects of Financial Resource in Health** course - PgCert/PgDip/MSc in Leadership and Health Management at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Lecturer for the **Quantitative Analysis** course - PgCert/PgDip/MSc in Leadership and Health Management at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Lecturer for the **Economics and Healthcare planning** course – Department of Statistical Sciences, Faculty of Engineering of Information, Computer Science and Statistics at the “La Sapienza” University of Rome.
- Co-teacher for the **Health Economics** course (12 lessons per year on a two-year period) at the “Tor Vergata” University of Rome. Chair holder: Prof. Francesco Saverio Mennini.

ACADEMIC YEAR 2017/2018

- Lecturer for the **Aspects of Financial Resource in Health** course - PgCert/PgDip/MSc in Leadership and Health Management at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Lecturer for the **Quantitative Analysis** course - PgCert/PgDip/MSc in Leadership and Health Management at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Lecturer for the **Economics and Healthcare planning** course – Department of Statistical Sciences, Faculty of Engineering of Information, Computer Science and Statistics at the “La Sapienza” University of Rome.
- Co-teacher for the **Health Economics** course (12 lessons per year on a two-year period) at the “Tor Vergata” University of Rome. Chair holder: Prof. Francesco Saverio Mennini.

ACADEMIC YEAR 2016/2017

- Lecturer for the **Aspects of Financial Resource in Health** course - PgCert/PgDip/MSc in Leadership and Health Management at the Department of Accounting, Finance and Informatics, Kingston Business School, Kingston University of London.
- Co-teacher for the **Health Economics** course (12 lessons per year on a two-year period) at the “Tor Vergata” University of Rome. Chair holder: Prof. Francesco Saverio Mennini.
- Lecturer for the **Economics and Healthcare planning** course (12 lessons per year on a two-year period) - Department of Statistical Sciences, Faculty of Engineering of Information, Computer Science and Statistics at the “La Sapienza” University of Rome.

JOURNALS, COMMITTEES AND SCIENTIFIC ASSOCIATIONS

The following list is not exhaustive

JOURNALS AND EDITORIAL COMMITTEES

- Since 2014, editorial board member of the *Clinical Drug and Investigation Journal* (Impact Factor 1.918)
- Since 2013, reviewer for national and international journals such as: *Lancet*, *European Journal of Health Economics*, *PharmacoEconomics*, *BMC of Public Health*, *Value in Health*, *PlosONE*, *Politiche Sanitarie*

SCIENTIFIC COMMITTEES

- Reviewer/judge ISPOR Annual European Congress, 6 - 9 November 2022, Vienna, Austria
- Reviewer/Poster judge ISPOR 21st Annual European Congress, 10 - 14 November 2018, Barcelona, Spain
- Reviewer ISPOR 20th Annual European Congress, 4-8 November 2017, Glasgow, Scotland
- Reviewer/Poster judge ISPOR 19th Annual European Congress, 29 October - 2 November 2016, Vienna, Austria
- Reviewer/Poster judge ISPOR 18th Annual European Congress, 7-11 November 2015, Milan, Italy
- Reviewer/Poster judge ISPOR 17th Annual European Congress, 8-12 Nov. 2014, Amsterdam, The Netherlands
- Reviewer ISPOR 19th Annual International Meeting, May 31- June 4, 2014, Montréal, Canada
- 10th World Congress Health Economics in the Age of Longevity: at Joint iHEA & ECHE Congress. Trinity College 13-16 July 2014 Dublin, Ireland
- Reviewer ISPOR 16th Annual European Congress 2-6 November 2013, Dublin, Ireland
- Reviewer ISPOR 18th Annual International Meeting. 18-22 May 2013, New Orleans, LA, USA

SCIENTIFIC ASSOCIATIONS

- President elect 2023 of the International Society of PharmacoEconomics and Outcome Research (ISPOR) Italy Rome Chapter
- Member of the Italian Association for the Healthcare Economics (AIES)
- Member of the International Health Economics Association (IHEA)
- Member of the International Society of PharmacoEconomics and Outcome Research (ISPOR)
- Member of the Italian Society of Medical Statistics and Clinical Epidemiology (SISMEC)
- Member of the Italian Society of Statistics (SIS)

LIST OF PUBLICATIONS LAST 2 YEARS

SCIENTIFIC PUBLICATIONS AND SPECIFIC CONTRIBUTIONS

- 2025 Romagnoli A, Marcellusi A, Lasala R. Analysis of the reimbursement times of antitumor drugs in Italy in relation to the clinical benefit expressed by the European Society for Medical Oncology (ESMO-MCBS). *Recenti Prog Med*. 2025 Jun;116(6):371-379. doi: 10.1701/4518.45175.
